How would the impact of this grant contribute to the growth and strengthening of Catholic education at your school? What is the anticipated scope of its impact?

Research shows that participation in fine arts can expand students' creativity, strengthen their problem-solving and critical thinking skills, and teach them to identify hidden, contextualized themes and lessons.

How will the impact of this grant be documented and evaluated?

██████████ will continue to track its fine arts courses with the expectation that Intro to Digital Arts and Dance 101 will increase enrollment.

What is the projected level of support for this grant from your school / parish leadership and community?

In fall 2023, ██████████ surveyed its students to help explain the decrease in Fine Arts enrollment over the past few years.

How will you sustain the program or purpose or initiative which would be funded by this grant in the future after all of the grant money has been spent?
